## SEASON 2022

Dear Business Owner,

The Jandakot Jets Junior Football Club was founded back in 1997 with its original home ground being located at Anning Park in Jandakot. The Club moved to its current location at Atwell Oval in 2000 at the request of the City of Cockburn. From small beginnings the Club has grown to be the largest Junior Football Club in the South Fremantle Football Club district. In 2021 across the South Fremantle Conference and the Fremantle Conference we had 700 boys and girls playing football wearing the Jets colours.

With such a thriving family community in and around the Jandakot Jet Junior Football Club, 2021 was an extremely successful season with 3 Premiership Teams winning their Grand Finals and with several teams playing during the finals and a total of 28 teams playing and doing our football club proud.

As a football club we are looking for businesses put their hands in their pockets to assist the club in getting us into a stronger position to provide the best platform for the next AFLW or AFL stars and providing all kids an opportunity to participate in our great game.
