In June 2022, we finally mounted the Premiership flags - a fair bit of history there. It was only fitting that Ron Black, a Life Member of the club, and a coach one of the early Premiership teams, made the backings and helped us mount them. September 2022 saw two more added to the wall.

From the President Shane Ford

I'd like to congratulate all the players on their 2022 season. I'd also like to thank all of the parents, coaches, team managers and general helpers both in and out of the committee. With 610 players this season, it is a large task organising game days, fixtures, presentation nights etc. A huge thanks to all involved. I'd particularly like to thank the 36 Year 12 boys for their commitment to the club, 19 players that started at the Jets in Auskick or Pups, some as early as 2009. Best of luck into the future boys and parents, and we hope to see you around the club.

I'd like to thank all of our new players in 2022, including our Auskickers, of which we had 146 players. Special thanks to Dana and Mercy for organising the Auskick; we hope to see you all back in 2023. The club had many new girls participating in 2022, and we had over 100 female players for the second year in a row; this is a growth area for the club. Our Club's success in girls football is highlighted by the girls playing representative football at the District, State, WAFLW and AFLW level.

I want to acknowledge our sponsors of the club for the 2022 season, including our Platinum Sponsor (IGA - Tucker Fresh Atwell), our Gold Sponsors (Shelford Homes and Clover Downs), our Team/Event/Auskick Sponsors (Glo Dental, David Scaffa Member for Cockburn, Boxed Creations, Team Electrical, Round 1 Fitness) and our Sponsorship Partners (Nexus Home Improvements, Oracle Insurance, Shelf Subsea, Full Pressure Plumbing and Gas, Assure Alliance Accounting and EES Shipping). Your contributions are greatly appreciated and we hope you will be back in 2023.

The 2022 Year Book is designed to provide our members, and future members, with a historical account of the year that was. It is to remind us of the special achievements of our players, teams, people and community. I hope you look back on 2022 and the Year Book with some fond memories and enjoyable moments. This year we hosted a number of events, including Mother's Day Round and Raffle, Pink Round (to raise awareness and funds for breast cancer research), NAIDOC Round, Mental Health Rounds and awareness sessions for boys and girls, Bogan Bingo, Whiskies of the World, finals, and a lot of windups. Thanks to all involved with contributing to the club in 2022 and best of luck to those whose journey moves on to the next stage in their careers.

Looking toward 2023, we have a great committee, and we do have some positions left for those who would like to help.

I hope to see you in 2023.

Warren Littlefair

This year's award winner, Warren Littlefair, contributed to the club for over 12 years. During that time, Warren has been a Team Manager, spent over 5 years as an assistant coach, was an AFLX Coach, and in 2021 was a Year 11/12 coach.

In 2022, Warren took on the role of the Year 9/10 girls Coach and was also a hardworking committee member.

Congratulations Warren.

Clubperson Award 2022

Darryl Munro

This year's award winner, Darryl Munro, joined the committee as the Sponsorship/Events Coordinator. Darryl was a very worthy recipient of the Lerlyn Johnson Clubperson Award, and was pivotal in bringing sponsorship to the club, as well as host important fundraisers such as the Pink Round, Blue Sock Round and organising some great social events, not to mention assisting with the Y9s.

Congratulations Darryl.

Grand Finalists 2022

We had a large number of teams make finals this year which is a huge achievement. We also were thrilled to have 5 teams that managed to make the Grand Final in their respective divisions in 2022. These included the Y11/12 Boys, the Y9 Boys, the Y8 Boys, The Y7/8 Girls and the Y7 Boys. Unfortunately there can only be one winner, and this year we were fortunate to come home with two premierships, the Y7 Boys and the Y7/8 Girls.

Congratulations to all of our teams.

It's more than a game...

In 2022 the club was also very proud to unveil our Indigenous jumper, designed by Wayne Ryder, which was worn with distinction and pride amongst many of our teams at different venues to celebrate Indigenous round (see below).

During 2022, the club also held many events that help to support the wider community as well as our members. Events included the Pink Round to raise funds for breast cancer, Blue Sock Round to promote mental health awareness (Kai Fella Foundation), Tomorrow Man and Tomorrow Woman for our boys and girls to discuss life's issue. Our members raised a substantial amount of money for the National Breast Cancer Foundation and the Kai Fella Foundation (see below). Other events included our special Mother's Day tribute, Life Member and Sponsor's Day, Bogan Bingo and Whiskies of the World.

NAIDOC Round

The story

The jumper is worn by all players of the Jandakot Jets Junior FC.

Jandakot meaning "place of the whistling eagle", is represented through 2 parts on this jumper, firstly through the waterways in which is painted through the black lines and the brown connecting circles, secondly, through the whistling eagle which you will see soaring across both sides of the jumper.

The players are represented at the bottom front of the jumper, they are depicted sitting around a meeting place, this is their local home ground and painted in the red colour of the jets, the red connecting dots are where the players travel to other grounds and the orange dots represent the oponents grounds.

Finally, the boomerang in the centre of the jumper represents the original V of the jets traditional jumpers, this is representing the heart and sole of the footy club, inside the boomerang you will find people meeting, this represents the committee members, volunteers, and supporters of the footy club, the dots going up the boomerang represents what all these people bring to the Jandakot Jets Football Club.
