Welcome Aboard for 2022

This is the first edition of our club newsletter for 2022. Much has happened around the club during the off season, and we are excited for 2022.

In this edition you will hear from our new President, Shane Ford, who has been working tirelessly in the background with the rest of the committee and club volunteers to lay the groundwork for a succesful 2022 season.

You will also hear from our new Auskick Coordinator, Dana Davies, our new Coaching Coordinator, Cameron Dawe, and our new Registrar, David Morgan.

In future editions, we will introduce other committee members and club champions and we welcome segments from our members, including photos, milestone announcements and general news relating to those within our club that can be celebrated by us all.

The club will be routinely sending out email blasts with season updates, registration news etc., which will also be put on our Facebook and Instagram platfroms to try and capture all of our members.

If you are a budding journo, or simply enjoy a bit of goss, we are also after a newsletter editor.

We welcome contributions that recognise those players, parents and others that made this place great to be a part of - so send in old photos with a bit of a blurb and we'll be sure to include it.

Don't forget - today marks the last day to be in the running to register and win your fees back.

Registrations are open

Girls and Boys / Pre-primary to Year 12

From the President Shane Ford

As this is the first of our newsletters being sent to our members and sponsors, I feel it is only fitting to ensure our membership group knows a little about me and my involvement in the club. I was not brought up with footy; coming from the eastern states it was not the game of choice. I was first introduced to it through my son Lachlan (Lachie), and it was his passion for the game from such a young age that got me hooked.

Although he started out in soccer (also not my chosen sport), he soon made it very clear that he wanted to play AFL (much to his mum's horror) and to kick the ball with his mates who were all part of the club and playing the game we love today. Lachie and I became a part of the Jandakot Jets Junior Football Club (JJJFC) community through the pup's program. This was the start of our family becoming an active member of the Club. I assisted the coach and other dads as much as

possible with the activities the boys were involved in both at training and on game day and as with most parents at the time, would be down at the ground helping set up and pack away. I volunteered to be the first aider for the team and did that role for several years along with being the team's runner. There was no problem with the first aid side or running but once out on the ground my directions probably weren't what the coach expected as I really had no idea what I was talking about, so for the best part of that it was about faking it until I made it! Since then, I have been a part of the coaching group, learning a lot of what is involved in AFL, helping with taking the warmups or some fitness training for the boys and became heavily involved helping and assisting where I could. I took up the role of the First Aid Coordinator for several years along with an assistant coaches role in 2020. I have always tried to be a good active participant / member and volunteer of the Club and have made some great friends in the process, as has Lachie and the rest of our family. It has been a great journey which now leads into a new chapter as the Club President, to which I thank you, the members, for intrusting me in this position.

When approached about potentially putting my hand up I will admit it was not high on my priority list or something that I had even considered. Not that I thought I couldn't do the job, but I had seen firsthand the amount of work that the committee put into these roles and on some occasions, I'm not sure it was always appreciated. In saying that it is not always about the recognition or the work. It is about the passion for the Club, our kids and what it has given me and my family over the years and how I can now give back to what I see as a great community Club.

We have formed what I would consider to be a great committee with plenty of enthusiasm, knowledge and the will to drive the club to the next level and make it a great place to have our kids play football. As a committee we have been working hard to put the foundations in place to make for a great season, but there

is plenty more to be do. With 23 members on the committee, it was great to see so many put their hand up to volunteer to help the Club and help support me. The Club, as a whole, is only as good as its members and the support provided by the volunteers. It takes a lot of work to move a Club of this size in the right direction and volunteers are an asset to any club. Plenty of hands makes for light work allowing all to enjoy the benefits of being a part of the Jandakot Jets Junior Football Club.

In parting, I only ask one thing of our members and that is let us respect each other and our visitors to the club, wear the red and white with pride and support the club by helping out where you can when asked and please don't be quick to complain unless you have at least volunteered.

Enjoy the season as there will be challenges and I hope you notice some changes and all the good things we are trying to achieve. I look forward to speaking with as many of you as I can throughout 2022 and if you see me down at the club or out and about in the community, please feel free to come and introduce yourself.

Please don't hesitate to email me at:

Fundraising Coordinators: *Vacant*

General Committee: *Warren Littlefair, Clayton Barnes, Jurgen Hansen.*

Coaching Coordinator

Cameron Dawe

Welcome all

I am the Jandakot Jets Junior Football Club Coaching Coordinator for the 2022 season. I have been involved in the club for over 15 years as a coach, Auskick Coordinator, Coaching Coordinator (2014) and as a committee member.

I am also involved at a district coaching level for the past three years which is why I decided to take on the coordinator role this year.

Having been exposed to different elite programs, I see the end result of what a good coach impact can have on our young athletes. This vision has made me determined to ensure our next generation of community coaches are teaching the fundamentals and ensuring the players are enjoying what they are being taught.

Like anything in life variety is something every player needs in their development and with my help, I have proposed a coaching methodology that will provide this right across all levels of the club in Auskick, Junior and Youth teams.

This year our development program for coaches will be an extensive knowledge based both in game style Training and Game day coached experiences. I believe that this will help them become more rounded coaches and increase their desire to learn.

Some of the initiatives this year we are implementing are:

- Coaches training drill manuals (a combination of different training drills)
- Data base of coaching literature and videos
- Coaches' information nights.
- Coaching resources such as video reviews and training techniques.
- Increased knowledge of Junior development and why our young players do what they do.

The feedback from the coaches I have spoken to already has been one of excitement. If you have a coach with a good attitude and willing to learn then this will directly relate to our young players learning of our great game.

Looking forward to the season.

Cam

Auskick Coordinator

Dana Davies

Hi, my name is Loredana, better known as Dana, and I am the Jandakot Jets Auskick Coordinator for 2022.

I first became involved in the club in 2019 when my daughter started her first year of Auskick in Pre-Primary. I took on the role as her team manager and then have continued to manage her teams for the last three years.

My husband also volunteered last year to coach our son's team, for his first year of Auskick.

Auskick has been great for our family as a whole. Not only to be part of the community but to also see the kids learn, make friends and more importantly have fun!

Auskick heavily relies on volunteers, and I can't wait to meet you all.

I am always happy to hear ideas and suggestions and am more than happy to answer any questions.

Please feel free to get in contact, my email is: jetsauskick@gmail.com

I'm looking forward to an awesome Auskick season!

Key goals:

- To welcome all new and previous families to our 2022 season.
- To get as many volunteers as possible on board with our Auskick program.
- To continue the inclusion of Auskick into the Junior club, as our Auskickers are the future of the club
- For the kids to have fun!

Key dates:

Look out for our upcoming OPEN DAY (Dates to be confirmed).

We look forward to welcoming you and your family for the 2022 season and beyond.

Thanks

Dana

Registrar

David Morgan

Hi all and welcome to the 2022 season. I started at the club 13 years ago and coached my son Charlie and his friends from Auskick until year 6. The 'little fella' is now in year 12, his last year in the club and I'm really looking forward to the season, more than any other. I also have a daughter, Renee, who is year 10 this year and I have really enjoyed the way that girls footy has grown, not only within the club, but overall.

My kids love the footy club and I have really enjoyed my time here. Many of my close friends are also at the club,

many who have been on the same journey. I've been in several roles at the club other than a coach, and I started on the committee 7 years ago as the line-marker. I continued in this role to some extent over the years and have been in many other committee roles.

I am really enjoying the role of registrar, and I am here to help so please get in contact should you need any assistance. The committee this year is moving in the right direction and our new President Shane has been fantastic at turning the club into a more professional unit with a long term plan. I'm sure that it will be a fantastic season and I can't wait for it to start.

If you haven't done it already, please register, as the club needs to nominate teams to the district very soon and we struggle to gauge correct numbers which can result in teams having either too many, or too few, players. We are also in need of some more helpers, so if you'd like to get involved, please reach out as we welcome new blood in the bloods.

Please don't hesitate to email me at: jjjfcregistrar@gmail.com

Thanks

Dave

Sponsor Lounge

We are excited to announce that we have secured some local sponsors. This is an exciting new direction for the club and we ask you all to utilise our Sponsor's services where you can. We would like to thank them all for sponsoring the Jets in 2022 and beyond.

Platinum Sponsor

Gold Sponsors

Team and Auskick Sponsors

Sponsorship Partners

Upcoming Events and Milestones

Team Nominations due: 20th March - this is where the club nominates the number of teams within each age group to the South Fremantle District. This is why we need to know numbers of players.

Prea-season Training: For many of the Youth Teams (Year 8 and older) training will commence soon. Your coach will notify you. Younger age groups won't commence training until April.

Atwell Reserve handover: This is expected to occur on the 1st April, when the cricket clubs have handed over the clubrooms to winter sports; which we share with the Jandakot Jets Senior Football Club.

Round 1: April 29th - We hope to kick off the footy season with some much anticipated Friday Night Footy!

More important dates to follow, including:

Sponsor's and Life Member Events

Shelf Subsea Mental Health Fundraiser Event (Kai Fella Fundraiser)

Pink Jumper Event (Breast cancer Awareness Fundraiser)

Shelford Quality Homes (NAIDOC Round)

Finals Footy

Season windups and award nights
