## From the President Shane Ford

I'd like to congratulate all the players on their 2023 season. I'd also like to thank all of the parents, coaches, team managers and general helpers both in and out of the committee. With 570 players this season, it is a large task organising game days, fixtures, presentation nights etc. A huge thanks to all involved. I'd particularly like to thank the Year 12 boys and girls for their commitment to the club, 3 players that started at the Jets in Auskick or Pups, some as early as 2010. Best of luck into the future boys, girls and parents, and we hope to see you around the club.

I'd like to thank all of our new players in 2023, including our Auskickers, of which we had 144 players. Special thanks Mercy for organising the Auskick. The club had many new girls participating in 2023, and we had over 100 female players for the third year in a row; this is a growth area for the club. Our Club's success in girls football is highlighted by the girls playing representative football at the District, State, WAFLW and AFLW level, with our Y7/8 and Y11/12 girls making finals. I'd also like to congratulate our other teams playing finals, and our Y8s who managed to win a grand final.

I want to acknowledge our sponsors of the club for the 2023 season, including our Platinum Sponsors (IGA - Tucker Fresh Atwell and Jason Hodgson of Semple Property Group), our Gold Sponsors (Shelford Homes, Clover Downs, Orthodontics on Berrigan and EES Shipping Pty Ltd), our Team/Event/Auskick Sponsors (Glo Dental, David Scaffa Member for Cockburn, Boxed Creations, Team Electrical, Round 1 Fitness and S-tech) and our Sponsorship Partners (Oracle Insurance, Shelf

Subsea, CK Energy Services, Tomorrow Man and Tomorrow Woman). Your contributions are greatly appreciated and we hope you will be back in 2024.

The 2023 Year Book follows on from our inaugural Year Book in 2022 and serves to provide our members, and future members, with a historical account of the year that was. It is to remind us of the special achievements of our players, teams, people and community. I hope you look back on 2023 and the Year Book with some fond memories and enjoyable moments. This year we hosted a number of events, including Mother's Day Round and Raffle, Pink Round (to raise awareness and funds for breast cancer research), NAIDOC Round, Mental Health Rounds and awareness sessions for boys and girls, Quizz Night and a lot of windups. Thanks to all involved with contributing to the club in 2023 and best of luck to those whose journey moves on to the next stage in their careers.

Looking toward 2024, we do have a number of positions left for those who would like to help. I would like to thank our retiring committee members who have been instrumental in steering the ship in 2023 and some for a long time. Your service to this community club is extremely valued.

I thank everyone for their assistance that they provided me over the last two years as President, and I wish the club every success into the future.

Shane Ford

Congratulations to the Y8 Whites in being Premiers for 2023.

## It's more than a game...

In 2022 the club was also very proud to unveil our Indigenous jumper, designed by Wayne Ryder, which was worn with distinction and pride amongst many of our teams at different venues to celebrate Indigenous round (see below). 2023 provided many opportunities to celebrate in this jumper including during NAIDOC Week.

During 2023, the club also held many events that help to support the wider community as well as our members. Events included the Pink Round to raise funds for breast cancer, Blue Sock Round to promote mental health awareness (Kai Fella Foundation), Tomorrow Man and Tomorrow Woman for our boys and girls to discuss life's issue. Our members raised a substantial amount of money for the National Breast Cancer Foundation and the Kai Fella Foundation.

Other events included our Mother's Day tribute, Life Member and Sponsor's Day and Quiz Night.
