THE JET

Only 20 more sleeps!

This is the 2nd edition of our club newsletter for 2022. Much has happened around the club during the off season, and we are getting excited for the start of the season.

In this edition you will again hear from our President, Shane Ford, who continues to work hard for all of our members. You will also hear from our Team Manager Co-ordinator, Kim Hansen, as well as our Girls Co-ordinator Kate Schick and our Equipment Manager Lars Kamphuis. Please make sure you reach out to them.

In future editions, we will introduce other committee members and club champions and we welcome segments from our members, including photos, milestone announcements and general news relating to those within our club that can be celebrated by us all.

The club will be routinely sending out email blasts with season updates, registration news etc., which will also be put on our Facebook and

Instagram platforms to try and capture all of our members.

If you are a budding journo, or simply enjoy a bit of goss, we are also after a newsletter editor.

We welcome contributions that recognise those players, parents and others that made this place great to be a part of - so send in old photos with a bit of a blurb and we'll be sure to include it.

Throughout the season, we hope the newsletter can serve as a record of achievements of the various players and teams.

We aim to publish records of the team scores, so that we can all keep up with the season at hand.

So pop the kettle on, pull up a pew, sit back, and enjoy this month's version of 'The Jet'.

From the President Shane Ford

As we are fast approaching the 2022 season, we are starting to get busier behind the scenes and I thought this was a good opportunity to provide another update to our members and supporters.

The grounds at Atwell reserve are slowly rejuvenating after a scorching summer, Sting Nematode in the grass and a lack of water. Both the Senior and Junior Clubs have been working with the Council to try and ensure that it is in a suitable condition for the upcoming season. The cricket pitches are now gone and replaced with turf, but care will be needed over the next couple of weeks to ensure it grows and is ready for the season.

We have now submitted our nominated teams (only how many teams not actual team selections) to the WAFC so that they can prepare the fixtures. This has been a difficult task with number returning bordering on two team under the WAFC guidelines. This has proven problematic as we still have members that have played for the club since Auskick that have not registered as yet. The missing numbers are not due to them registering with other clubs they have just not returned. With this in mind we also need to consider COVID and how many we have on the bench. The last thing clubs want, or need is for 14 players to be sitting on the bench.

Team selection does not necessarily mean that is the team the kids will play in, and we will take on board individual requests for movement.

Auskick registrations have been strong with 120+ plus boys and girls and growing. Auskick Coordinator, Dana Davies and Mercy Thompson, will certainly have their hands full this season and will be seeking the support of parents and senior players to lend a hand. It is after all a community club and many hands make light work of the many tasks required to build a successful season.

We are after at least two members from both the Junior and Youth teams to assist as part of this group to bring some ideas to life and ensure our kids have those little rewards at the end of each game. Without the help, the Club cannot guarantee this will happen this year.

We are expecting to have a great season this year with

some new sponsors onboard and the different ideas that will only be noticed once the season starts. We look forward to the season and want to reiterate that we are approachable as a committee and will be there to answer the many questions around the season and what that will look like.

Please remember that we are all volunteers in these roles and are doing what we can to make the club family friendly. We are actively seeking more volunteers, as many hands make light work, and encourage those that want to make a difference to jump onboard in 2022.

Go the Jets

Kind Regards,

Shane Ford

IT / Social Media Coordinator: *Vacant*

Fundraising Coordinators: *Vacant*

General Committee: *Warren Littlefair, Clayton Barnes, Jurgen Hansen*

April 8, 2022

Team Manager Co-ordinator

Kim Hansen

Hello, I am Kim, the Team Manager Co-ordinator for the Jets. I started out as a Team Manager in 2011. In 2019, I took on the role of Team Manager Co-ordinator. On average we have 23 teams per year, and my role includes setting up the Team Manager files and uploading the iPads for Interchange.

The Hansen Family moved from South Africa in December 2008. We had heard about footy through our extended Ozzie family and our, then new Ozzie friends. Our two boys Luke and James took a very keen interest in the sport right from the beginning. In 2009 we signed Luke up in Auskick and then James followed in 2010. As you can imagine, my AFL knowledge was, and is still, very limited. I still remember Warren, Y6 Coach, ask me to speak to the opposition team manager about them filling holes in the ground. Of course, I took it literally and marched over, thinking how dare they interrupt my team, my boys play while filling holes on the ground. Needless, to say, I learnt, the lingo very quickly, and am still learning.

I have met inspiring club members, who I consider lifelong friends. They have dedicated their time, knowledge and passion to our Club and have inspired me to do the same. Nothing has given me, more pleasure than watching my teams grown from little boys into fine young men. It is a privilege to be involved in the footy community, supporting young men in their love of the game. I am incredibly proud and grateful to be part of the Jets Family. Always Jets.

Always Jets

Kim Hansen

Kim's devotion to the club saw her inducted as a Life Member of the JJJFC in 2020.

April 8, 2022

Girls Co-ordinator

Kate Schick

Hi all and welcome to the 2022 season. I am the Girls' Coordinator and my role is to grow and promote girls football within the Club.

I am a long term member and volunteer at the Club. My son Jack started his football career when he was in Pre-Primary in 2010 and my daughter, Madison, is in her fourth year of football this year. Since joining the Jets, I have been an active member and held the role of Team Manager for the first seven years and also helped out with a myriad of things and have been a very active volunteer. I took up the position of Girls' Coordinator last year and am looking forward to undertaking the role again this year.

Registrations for Year 7/8 and 9/10 teams are strong, but we are still looking for female players in the Years 3/4 and 5/6 teams. Please spread the word and encourage any girls who have shown any interest in playing to register and have a go this year. Training has commenced for the teams.

Football has been great for our family as a whole and we have made some great friends in the process. Like every other part of the Club, the girls' football programme relies heavily on volunteers and I urge you all to put your hands up and help out as many volunteers make it light work for everyone.

I am always happy to hear ideas and suggestions and am more than happy to answer any questions. Please don't hesitate to email me with any suggestions, queries or comments at:

jjjfcgirls@gmail.com

I'm looking forward to welcoming you and your family for the 2022 season and beyond.

Cheers,

Kate Schick

JJJFC Girls' Coordinator

Equipment Manager

Lars Kamphuis

I am the Jandakot Jets Junior Football Club equipment coordinator for the 2022 season and a father of three jets players. My eldest son Kaiden (Y9), my daughter Michaela (Y5/6 girls) and youngest son Tyler (Y4) will all be donning the red and white again this year. I have been involved with the football club since my eldest son started playing Auskick in 2014 and I have taken on various roles such as team manager, assistant coach and assistant Auskick Co-ordinator.

I wouldn't have been able to volunteer my time for those roles if it wasn't for my wife Fiona, who does most of the running around taking our kids to training. As a family we have made some great friends in the club and we love seeing our kids develop their football skills, whilst having fun playing with their mates.

In my role at the club, I will be looking after all the footy gear. Over the last month (and coming weeks), I have been busy preparing and handing out the coaches' bags and we have also repaired the gazebos, so they are ready to go for the start of the season.

Before and after a game there are several pieces of equipment that are required to be setup and packed away. These include the gazebos from both the home and the away teams plus the interchange gazebos. Additionally, all the goalposts/padding and cones used to mark the playing field must be setup/returned.

Please look after this equipment and if you are unsure about how to setup/use the equipment reach out to fellow parents and committee members. I look forward to getting the season underway and if you have any issues with the equipment, please reach out to me by e-mail (lars.kamphuis@curtin.edu.au) and if it is urgent by phone which you can find on our club's new and improved webpage.

Go Jets!

Lars Kamphuis

Player Profile

Madi Hadley

Congratulations to Madi Hadley (Y9) who was selected in the AFLW 16s State program for 2022.

The objective within the State Academy is to select players with the potential to progress to higher levels of football. They aim to develop the athlete as a person and footballer by providing a number of different education opportunities and resources for both on and off field support. They drive high standards within the program to ensure that the athlete as an individual and the team are geared for success.

After 8 weeks of twice weekly training, the two teams from the State Academy played two matches. The first match resulted in a draw whilst in the second match, the black team were dominant to defeat the gold team.

Madi played well in both games and was described as an impressive performer and one of a number who caught the eye in the following write-up and made it into the best players list.

Upcoming Events and Milestones

Team Lists: If you are yet to find out who your team is, please let us know.

Pre-season Training: Pre-season training is well underway, with some of the teams looking really fit.

Atwell Reserve handover: On the 1st April, we were handed over the clubrooms which we share with the Jandakot Jets Senior Football Club.

Round 1: April 29th - We hope to kick off the footy season with some much anticipated Friday Night Footy!

THE JET

"Hang-time"

We found this little gem of long time girls coach Caren Bell goin' for a hanger.

Nice.

Disclaimer: The JJJFC takes no responsibility for the bloke in the hat who copped a broken rib during Caz's heroics.

The 11/12 boys sporting their new training shirts. Thanks to our sponsors for providing these great additions.

Pease pass us a line or send us a classic photo, a milestone picture or anything a little bit relevant to either footy or a member at the club if you'd like it to feature in hang-time
