Important to get volunteers to spread the workload.

Handover to all new committee members to be done asap.

For all vacant positions members can go onto the website and all the information is listed.

An explanation of the committee meeting and what is involved was given to all members present.

Registrations will be open 1 November 2022 for Auskick on Play HQ and 7 November 2022 for Junior and Youth. Fees slightly increased in line with the new increase of umpire fees and costs associated with fielding a player. Voted and passed by all members attending.

Canteen needs to be looked at and wages. Maybe adding volunteers again like pre covid seasons and other local clubs?

Trophies numbers to be reduced to cut costings associated and we also don't have 18 per team anymore.

Budgets to be looked at with the account, Treasurer and President for the club's spending and allocate per team for pizza nights etc.

Constitution has been done however after some feedback there are some slight amendments. This will be completed in the next couple of weeks.

Audit – Assure Alliance

Next committee meeting 8 November 2022
